MAC Panel Company Revised: 7/20/2007

Series 157 Online Data Sheet

SERIES 157

Series 157 Interface System is a roll-cam design proven extremely reliable with over twenty years of field experience. Standard configurations start as small as 200 positions, and are available with either removable or fixed patch panels. MAC Panel supports many of the older AMP[®] Plugboard Systems.

MAC Panel Company 551 W. Fairfield Rd. High Point, NC 27263 PH: 336-861-3100 FAX: 336-861-6280
